

PARTNERSHIP PROGRAMME

WORLD MARROW DONOR DAY

WMDD 2020 will be the 5th celebration of stem cell donors worldwide. Over the years, more than 350 events took place in more than 50 countries on all continents.

Please consider joining us this year! Read all about it in our folder.

Our members and their supporters organise activities around the world to thank stem cell donors and to raise awareness, because more donors are needed to ensure equal chances for all patients in need of a transplant.

By partnering with us, we can bring WMDD's key message '*Thank you Donor*' to a broader audience and increase the impact of WMDD.

WORLD MARROW DONOR ASSOCIATION

The WMDA consists of organisations and individuals who promote global collaboration and best practices for the benefit of stem cell donors and transplant patients.

Our members are Donor Registries, Cord Blood Banks, Transplant Centers and physicians. Together with our members we strive to achieve our vision:

“Patients worldwide should have equal access to high quality cells for transplantation from donors whose rights and safety are protected”

BECOME A WMDD PARTNER

With more than 900 members, the WMDA has an extensive international network that caters everyone with an interest in donor care. WMDA relies on a broad and diverse set of collaborative connections and partnerships all around the globe.

Supporting WMDD will give your organisation the unique opportunity to:

- Contribute to a vital cause to strive for equal chances of survival for transplant patients worldwide
- Participate in a global event with positive exposure to the general public
- Expand strategic global alliances through WMDA's network

WMDD 2020 will consist of two major virtual campaigns with exposure for you as a corporate partner:

- Your logo on the WMDD Global Donor Drive landing page where new donors can sign up for the global registry
- Participation in a collaborative inspiring thank-you-donor video featuring all our partners and member organisations. This video will be shared on social media by all our partners and members

AN OPPORTUNITY TO MAKE A DIFFERENCE

We hope you will join us to support our cause and be part of our celebrations on September 19th.

Please connect with us to see how we can collaborate to add as many donors to the international database as possible!
